Ms. Jerrily Kress
Executive Director
Office of Zoning
441 4th Street, NW
Washington, DC 20001

Dear Ms. Kress:

I write to request that the Board of Zoning Adjustment Hearing scheduled for September 12, 2000, be postponed no longer than 45 days. In light of the Primary Election being held that day, this change should be made to allow neighborhood residents the opportunity to "work the polls" as well as attend the full hearing at which an issue of great significance will be discussed. As you are well aware, these residents take their civic responsibilities very seriously and should not, in my opinion, be forced to choose which duty is more important.

If you have any questions, please do not hesitate to contact my office by calling 724-7772.

Sincerely,

David A. Catania
Councilmember (At-Large)
