Re: The George Washington University
Campus Plan # 16553

Dear Mrs.Cross-Reid:

At your request, at the hearing on April 26, enclosed is verification of Dorothy Miller's representaton of Columbia Plaza Tenants Association before the BZA.

In 1992, shortly after we revived the Columbia Plaza Tenants Assn., and elected officers the ANC for Foggy Bottom requested that a representative from the CPTA Board be appointed to a committee working with the ANC regarding George Washington University expansion and other neighborhood issues. Dorothy Miller agreed to take the responsibility for this role as CPTA representative.

In following years, Mrs. Miller was reaffirmed repeatedly by the Executive Board to continue in this role as our Representative. Various issues are discussed with the Board, before Mrs. Miller undertakes a position.

In October, 1999, the Board reaffirmed CPTA's Vice President, Dorothy Miller continue her representation before the District agencies on matters of concern to Columbia Plaza Tenants Assn.

Following our meeting on September 28, 1999, the Board met on Tues. Oct. 5, 1999, with a quorum present, and voted to have Mrs. Miller continue her representation of the Columbia Plaza Tenants Assn. Marilyn Rubin, CPTA President, appointed her to represent us in the above referenced BZA Case.

Voting: Yes Rubin, Anest, Bowles, Rief, Vigor, Gerstein, O'Shea, Mackenzie
Absent: Moss, Tank, Gilbert

Respectfully submitted

Jean Bowles, Secretary
