Re: BZA Application 16553--George Washington University Proposed Foggy Bottom Campus Plan - Years 2000-2010

Dear Madam Chair:

Late Thursday afternoon, August 31st, immediately preceding a holiday weekend, George Washington University delivered to ANC-2A "Proposed Conditions for GW Foggy Bottom Campus Plan."

Copies of this two page letter with two attachments totaling 14 pages were also sent to the Office of Planning and to Michael Thomas, President of the Foggy Bottom Association. Because of the complexity of the submission, its effect on the above Application and its effect on the constituents of ANC-2A, the Commission requests and needs an extension of time to consider this newly revised material.

ANC-2A respectfully requests that the date required for filing its response under Title 11 DCMR, 3115.1 be extended to the close of business Friday, September 8, 2000.

Your prompt consideration of this request will be deeply appreciated.

Sincerely,

Barbara Spillinger
