Washington, DC 20001

Dear Mrs. Kress:

This letter is in reference to BZA Case Number 16553, Application of the George Washington University for a special exception for the review and approval of the University Foggy Bottom Campus Plan, Years 2000 - 2010. Previouly the Board of Directors of the Monroe House Condominium Association, on behalf of Monroe House, sought and was granted party status in this case. We also designated Sara Maddux to represent our condominium during the hearings. Unfortunately, Miss Maddux is out of the country on official travel for the Department of State and will not return by the next scheduled hearing on Wednesday, September 13, 2000. Therefore, the Board of Directors has designated another Board Member, Elizabeth A. Mills, to represent Monroe House.

The kind consideration and approval of this substitution by the members of the Board of Zoning Adjustment will be greatly appreciated. Miss Mills was sworn in during the previous hearing on this application.

Sincerely yours,

Earl A. Sanders
President
Monroe House Condominium Association
