Re: George Washington University Campus Plan -- BZA Order 16553

Dear Chairman Mitten and Members of the Commission:

This letter is being written in response to questions raised as a result of the Foggy Bottom/West End community's reluctance to meet with select members of the George Washington University (GWU) in the context of an Advisory Committee as indicated in the BZA Order of March 29, 2001.

As you know, there are still several important issues relating to the Order in contention before the Courts. It is the feeling of the Board of the Foggy Bottom Association that while these matters remain in litigation, any such meeting would be inappropriate.

Sincerely,

Ronald Cocome
President
