Re: Inclusion of Irrelevant Material in Board of Zoning Adjustment
Case No. ~~16554.~~ 16553 BAB

Dear Mrs. Kress,

This letter is written to request that a letter dated February 9, 2000, filed in BZA Case No. 16553, Exhibit 26, written by Bernard Demczuk, stating his personal opinion, without facts, and no reference to the subject, be removed from the file.

When I tried to bring to the attention of the then interim Director of the Zoning Secretariat errors in procedure in the BZA' Conclusion of Law that should been considered and placed in the files of BZA Case No. 15942, the Health & Wellness Center, my letter was returned to me.

Mr. Demczuk's letter in no way involves the subject matter, Draft Proposal for GWU's Campus Plan for years 2001 to 2010. Mr. Demczuk's letter should be returned to him.

Respectfully requested,

Dorothy Miller
