Re: The George Washington University Campus Plan
Board of Zoning Adjustment Application No. 16553

Dear Members of the Board:

As a long time resident of the Foggy Button Area - I have lived in Watergate South for more than twenty-eight years, I am quite familiar with the benefits accruing to this community from the presence of George Washington University. I strongly support their Campus Plan 2000 and urge that it be approved by your board.

Sincerely,

James H. Berkson
