Dear Sir or Madam:

I am writing to oppose the application for Special Exception, Docket No. 16554 which would allow conversion of the Alice Pike Barney House on Sheridan Circle to become a music school.

I am opposed to this happening, as someone who lives right around the corner, and who would be adversely effected by the extra traffic and most important, parking problems that would ensue. From our calculations, it would bring extra cars to the Circle at rush hour and create a dangerous situation for drivers who are dropping off children (as there is not adequate parking at the House). That circle is already a very dangerous place in my view…and the addition of more cars, and more parking needs on an already congested street (Q between 22 and 23) would make for a very bad situation that is unnecessary.

Thank you for your consideration.

Sincerely,

Carol Ann Kell
