Rec'd.
MAR 1 2000

We the undersigned oppose the proposed use of the Alice Pike Barney House, located on Sheridan Circle, as a school for music and art instruction and public performance space for professional performers. The proposed use embodies intense, revenue producing activities on the property for essentially every day of the entire year. The Special Purpose Application before the Board of Zoning Adjustment, Docket No. 16554, raises our concerns about a number of issues including but not limited to the following: (1) the safety of a large number of children arriving and departing by auto during the evening rush hour on Sheridan Circle; (2) unworkable parking proposals for events conducted in a residential area choked with parked cars; (3) the promotion of commercial activities at which alcohol may be sold or served to large numbers of people; (4) noise pollution particularly with residential neighbors; and, (5) the willingness of the school to meet residential and commercial mixed use building and Americans for Disability Act (ADA) code requirements.
