TO THE BOARD OF ZONING ADJUSTMENT

Pursuant to Sections 3104 of the Zoning Regulations of the District of Columbia, an application is hereby made for the following action: further processing of and amendment to a campus plan, which is provided for by Section(s) 210 of the Zoning Regulations.

Premises affected are located at 1703 32nd Street, N.W. (street address),

Lot(s) 812, Square(s) 2155,

in the District of Columbia, in Zoning District R-1-B.

Present use of Property: research library and museum.

Proposed use of Property: research library and museum.

Owner of Property: Trustees for Harvard University/Dumbarton Oaks.

Address of Owner: 1703 32nd Street, N.W., Washington, D.C. 20007.

State briefly the bases for action sought:

The modification to the campus plan is sought to make an addition to the third floor of the existing library, create an underground library and archival storage facility beneath the North Vista terrace, provide a vestibule for climate control and address Americans with Disabilities Act access issues. These modifications are needed because, currently, large portions of the facility's collection are vulnerable to damage due to inadequate storage facilities, the building is essentially inaccessible, and there is not enough space in the research library to accommodate the scholars at work in the library.
