Re: Application #16556

Dear Ms. Reid:

We add our voice of support to application #16556 by the Jewish Primary Day School of the National Capital. As residents of Shepherd Park and members of Tifereth Israel Congregation, both for over thirty years, we do appreciate the respective concerns of the community and of the School. We believe that it is possible for the School to operate within Shepherd Park during the next three school years, to the benefit of everyone.

Thank you for consideration of this application.

Sincerely,

Marcia F. Goldberg
