Re: Application 16556

Dear Ms. Reid:

As a Shepherd Park resident of more than forty years, I have seen the neighborhood rise, fall and rise again, depending on the availability of good elementary schools. Older students can bus, or walk farther to schools, but parents of elementary age children want good neighborhood schools. The addition of the Jewish Primary Day school to the neighborhood will enhance the area, attract stable families to the neighborhood, and increase property values. I strongly urge that they be permitted to locate in Shepherd Park.

Sincerely,

Lillian N. Kronstadt
