Re: Application #16556

Dear Ms. Reid:

I am writing to urge you and the Board to approve the application of the Jewish Primary Day School of the Nation's Capital (JPDS-NC) for temporary occupancy at two existing synagogues located at 7701 and 7712 Sixteenth Street, NW. This temporary occupancy is necessary while the school relocates to a permanent site.

You may be aware that JPDS-NC, the only Jewish day school in the city, has been located in Adas Israel Synagogue on Porter Street for more than a decade – providing an excellent education and building good citizens for the District during that time. I understand that every effort is being made to address the Shepherd Park neighborhood concerns about additional traffic. We have been good neighbors on Porter Street and will continue to be good neighbors in Shepherd Park.

Please support the efforts of this fine school to continue to thrive in the District.

Sincerely,

Michael Lieberman
