Jewish Primary Day School of the Nations Capital
2850 Quebec Street, N.W.
Washington, D.C. 20008-5296

Dear Dr. Scaldini:

It was good meeting with you and representatives of the Jewish Primary Day School of the Nation's Capital (JPDS-NC) last week. I appreciate your bringing to my attention the critical need for JPDS-NC to find a suitable location in the District of Columbia. Thank you for sharing with me your efforts to temporarily locate at Tifereth Israel and Ohev Sholom Synagogues on 16th Street, N.W. and to permanently locate on Chesapeake Street, N.W.

It is essential that the district retain diverse educational institutions and that we support a variety of the co-educational elementary programs for our residents. This is vital to our efforts to attract and retain diverse citizenry, religions and cultures. It is particularly important considering that JPDS-NC is the only Jewish day school in the District.

I am willing to ensure that every effort is made to find a suitable location in the District for the Jewish Primary Day School of the Nation's capital.
