Dear Miss Reid,

Our daughter is a student in the sixth grade at the Jewish Primary Day School of the Nation's Capital (JPDS-NC). Our child has loved going to a school that is located not far from our home. When my husband was elected to the Senate, we wanted to enroll our child in a school that would allow him to live close to his office and still allow our child a reasonable commute. We were so pleased to find a Jewish parochial day school in the area.

We are writing to you at this time to urge you to do everything you can to make sure that this wonderful school continues to educate children in the Nation's Capital. We understand that you are taking into consideration whether JPDS-NC can take up temporary residence on 16th Street. You can rest assured that the presence of this school will be an asset to any neighborhood.

Thank you for your consideration of this matter.

Sincerely,

Senator and Mrs. Joseph I. Lieberman
