Re: Specific Penalties to be Imposed

Dear Board Members:

The President of the JPDS-NC Board is prepared to submit the following plan to its Board for review, discussion, and approval at its meeting on March 22, 2000.

In the event of a violation or a repeated violation of the traffic management plan, the following sequence of warnings and penalties would be followed:

First Offense: Written warning from head of school.

Second Offense: Fine: $50.00.

Third Offense: Fine: $150.00.

Fourth Offense: Fine: $300.00.

Fifth Offense: The parent would be required to send the child(ren) to school by means of the shuttle van service.

These measures will be incorporated in the School's Parent Handbook which ties to the registration contract. RSL
