Dear Parents:

On behalf of the very special children of **Chai Lifeline**, I would like to welcome you, as well as your children at the **Jewish Primary Day School** for becoming involved in an extraordinary Parshathon project at the school. Many other schools throughout the United States are committing themselves to helping the seriously ill children of Chai Lifeline. It is wonderful to see how collections of students throughout the year earmark **Camp Simcha**, the only kosher camp in the world for children with cancer as their Tzedaka project.

When a child is diagnosed with cancer or any other life threatening illness, the entire Jewish community feels the pain of the suffering child. It is very special to see people from varied backgrounds and different walks of life help benefit these children. However, when we see young children sharing the willingness, the energy and their hearts to helping other sick children, we are touched. **Jewish Primary Day School** holds the hands of thousands of suffering children and their families and gives them the hope and courage they need to survive. A hope that only a Jewish community can give.

We look forward to working together with the students of **Jewish Primary Day School** for the benefit of our very special children of Chai Lifeline.

In this merit, may it be bestowed upon you and yours good health for many years to come.

Together we can make a difference!

Sincerely,

Rabbi Levi Katlowitz
Director of Community Development

Dear Ladies and Young Ladies and Gentlemen:

Thank you so much for your visit yesterday. Our residents greatly enjoyed your charm and kindness and were delighted by your costumes and songs.

Your program enhanced the observance of Purim for our Jewish residents and provided interest and education for others. Thank you, too, for the gift of sweets.

Our regards to Ms. Merman and best wishes to you all.

Yours truly,

Dear Naomi:

Thank you for providing a lovely Purim party for our residents this morning, Tuesday, March 2nd. This shared time between Revitz House seniors and young children from Adas Israel Congregation (and their teachers and parents!) provided much pleasure to all participants. On behalf of each of our residents, I would like to say ***thank you*** to you, to your colleagues, and to each of the parents who drove and assisted. Thank you especially to each of the children.

Our senior residents very much enjoyed the Shalach Manot the children brought and which was distributed during this visit. The children, in costume, and leading a song fest, were an additional Purim treat.

We look forward welcoming you all again! Please call me to schedule another visit. For your convenience again, my direct telephone number is: 301-770-8471. As are you, I am in and out often but my voice mail is always turned on and I check it regularly.

Please convey a message to Rachel Seidel. It was a very, very special personal treat for me to meet her and her children, granddaughter and great-grandchildren of one of my earliest Very Special People, Sadie Rose Weilerstein. In fact, when I mentioned that later to Lynette Mandel and to another resident (one of our original residents in this building), they were nothing less than dismayed that they had not known who Rachel was. Each had been close friends with Sadie Rose when she was a Revitz House resident. If she visits our building again, please ask Rachel Seidel to say a special hello to Lynette and to Clara Gershenson.

Again, thank you for the visit, the Shalach Manot and songs, and the time with your delightful children.

Sincerely,

Barbara Cohen Lerman
