Re: BZA Application No. 16557

Dear Sir or Madam:

In regard to my application to the BZA for a variance to construct an addition to my home at 2947 Macomb Street NW, I wish to submit the attached document containing the signatures of the four neighbors that will affected by my variance request. They are owners of the houses on either side of me and in back of me. I have reviewed my plans with all of them and they have signed the attached document stating that they have no objections.

Thank you,

Sincerely,

Rochelle Green
