OFFICE OF ZONING
DISTRICT OF COLUMBIA

To whom it may concern,

This application is for a one-story addition to the first floor to enlarge the existing kitchen area, also a small 13 foot square deck is being added. Both are located in the rear of the residence. Because the dwelling is located on a corner lot, there is a lesser amount of rear yard to work with, therefore we ar requesting a variance to accomodate this modification. Please contact me with questions.

Thank you,

Richard Gangloff
