Re: Board of Zoning Adjustment Application for The Field School Foxhall Road, NW (the former Cafritz Estate)

Dear Ms. Reid:

I am writing to express my strong support for the application of The Field School to establish a private school on the former Cafritz Estate location along Foxhall Road, NW. I believe that the development plan proposed by The Field School will create no objectionable conditions for the surrounding community and will not create any detrimental impact on the immediate neighbors of the site.

I want to commend The Field School for the steps it has taken in reaching out to the community early in the design process of the school buildings, athletic facilities and location of the entrances to the School and parking spaces. The end result is a plan that I believe creates a lovely environment for The Field School's students, faculty and parents, as well as the surrounding neighborhood of which I am a part.

I use Foxhall Road daily on my way to the University of Maryland, and I agree with the School that after the intersections of Whitehaven Parkway and W Street receive signals, the traffic situation will improve and the proposed entrances to the School will not cause additional traffic problems.

Field is an excellent and diverse school—a wonderful addition to this area of the city. I appreciate your attention to this letter and I ask that you approve The Field School's application.

Sincerely,

Alice R. Galper
