Re: Board of Zoning Adjustment Application for The Field School Foxhall Road, NW (the former Cafritz Estate)

Dear Ms. Reid:

I wish to express my support for the application of The Field School to establish a private school on the former Cafritz Estate located along Foxhall Road, NW. The development plan that has been presented should create no adverse impact on the community. Situating schools in residential neighborhoods is a long tradition, and the plans that Field has presented are especially suitable. As a resident of a nearby neighborhood I often use Foxhall road and am aware of the traffic situation in the vicinity of the former Cafritz Estate. I believe that the proposed plan is adequate to handle the necessary traffic associated with the school.

As a former Field parent for six years I am aware of the care that the school administration has both for the students at the school and for the surrounding community. That community can be assured that the school will become and continue to be an asset to the neighborhood.

Thank you for your attention to this matter.

Sincerely,

Carol Haarmann
