Re: Case No. 16559; The Field School Application

Dear Ms. Kress:

I support the Field School Application to locate on the Cafritz Estate.

I believe the preservation of green space in our neighborhood - including the addition of additional playing fields for young people is very important. I further believe that the impact of one additional car per minute during peak periods will have no impact on the current traffic conditions in the area. Indeed, speeding is the current problem on Foxhall Road - many of us believe the school's arrival will slow traffic and improve safety.

Thank you for your consideration of my views.

Sincerely,

Thomas F. Gibson
