In support of Field School proposal Case # 16559

Dear Ms. Reid,

As you can see from my return address, I am a resident of the District of Columbia and live in the neighborhood into which the Field School proposes to relocate. I drive up and down Foxhall Road on my way to and from work.

I consider that having the Field School located on the Cafritz property on Foxhall Road would be an asset to the neighborhood. It is a wonderful school with a wonderful community of faculty and students. The proposals I understand they are making with respect to traffic control and site development seem to me very satisfactory.

I look forward to having the Field School as my neighbor. I think they will be good neighbors, and the area will certainly be enhanced by the proximity of such an excellent school.

Sincerely,

Elizabeth Shriver
