Re: Board of Zoning Adjustment Application for The Field School
Foxhall Road, NW (the former Cafritz Estate)

Dear Ms.Reid:

I strongly support the application of The Field School to have its new campus on the former Cafritz estate bordering on Foxhall Road, which is the most direct route from my home (only two houses off Foxhall Road) to the center of Washington.

My support is based on:

(1) My confidence that Elizabeth Ely, who has long headed The Field School with distinction and well earned her reputation for good judgment and for solving problems with fairness and efficacy, can be counted on to make sure the move does not create a neighborhood eyesore or a serious traffic problem on Foxhall Road;

(2) My agreement with the school's plans for parking space on-site, to permit only right turns coming out of the southern entrance to the school, and to prohibit turning into left-hand lanes of Foxhall Road when coming out of the school in the morning.

(3) My belief that the planned placement of the school buildings near the center of the large site, leaving a buffer of trees between them and Foxhall Road, will preserve the excellent appearance of the neighborhood.

Thanks for your attention to this letter and my request that you approve The Field School's application.

Respectfully yours,

Charles N. Van Doren
