Dear Ms. Cross:

Please approve the Field School's application for a zoning adjustment to establish a private school on the former Cafritz Estate on Foxhall Road.

As a native-born Washingtonian, I've used Foxhall Road daily going to and from work, to the Kennedy Center, and to many activities downtown; the Field School plan for avoiding traffic disruption is excellent, and I anticipate no delay continuing to use that route.

The Field School is a tremendous asset to the City of Washington, and having had a child graduated from the school, and a long association therewith, I can assure you that Ms. Elizabeth Ely and her staff will continue to work closely with the community to ensure an easy transition.

Your support of their application is essential, and I humbly ask for your approval.

Sincerely yours,

Deboorne Piggot
