Re: Board of Zoning Adjustment Application for the Field School
Foxhall Road, N. W. (former Cafritz Estate)

Dear Ms. Reid:

I would like to express my strong support for the application of The Field School to establish a private school on the former Cafritz Estate, located along Foxhall Road N. W. The plan should not create any problematic conditions for the nearby community and will not create a detrimental impact on the immediate neighbors of the site. I believe the plan further creates an attractive environment for the Field School's students and faculty, as also for the neighborhood. The School is to be commended for reaching out to the community early in their planning process.

With regard to the area traffic patterns, I believe the traffic situation will improve once the intersection at Whitehaven Parkway and W. St. become signalized.

Thank you for your attention to this letter and I ask that you approve The Field School 's application.

Sincerely,

Brian G. Kirby
