Re: Board of Zoning Adjustment Application (Case # 16559)
for The Field School Foxhall Road, N.W. (the Former Cafritz Estate)

Dear Commissioner Reid:

The purpose of this letter is to express my strong support for the application of The Field School to establish a private school on the former Cafritz Estate located along Foxhall Road, N.W. I believe that the development plan proposed by The Field School will create no objectionable conditions to the surrounding community and will not create any detrimental impact on the immediate neighbors of the site.

Since I am a current neighbor of The Field School and have been for many years, I can tell you with great assurance that they will be responsible and cooperative neighbors and will make a positive contribution to the neighborhood. Field is a wonderful school, and we have had very cordial relations. I know they will do everything possible to work out any potential problems that could arise in their new location. They are a great asset to the entire community.

The District of Columbia government should do everything possible to encourage educational facilities of this caliber to remain within the District. I appreciate your attention to this letter, and I ask that you approve The Field School's application.

Sincerely,

Marguerite P. Mullan
