Re: BZA Application No. 16559

Dear Ms. Kress:

We have received notice from your office that a hearing will be held on March 15, 2000 on the above BZA Application, The Field School. Our Administrator, Beverley Monroe, spoke to Sherri Pruitt last week and explained that for several reasons, our ANC (3D) would not be able to have the Field School issue on our February 14 agenda. They are still working on their traffic plan and we are in the midst of having a new commissioner come on board. We therefore postponed their appearance until our March 13 meeting. This was before we learned of the actual hearing date. (When we changed it, we had only received notice that a hearing would be held "in March or April"). Since we postponed it and the hearing date is two days after our March 13 meeting, we will be unable to have time to properly submit our decision before the hearing.

For this reason, we respectfully request a waiver be granted to ANC3D so that we may submit our decision by fax to you on the morning of March 14. Please let us know by telephone (202-363-4130) or fax (same number) if this waiver has been granted and if there is anything else required.

This is a very important issue in our neighborhood and we certainly want to have all the facts before we make our final decision.

Thank you,

Sincerely yours,

Eleanor Roberts Lewis (typed)
