Re: Board of Zoning Adjust Application for the Field School on Foxhall Road N.W. (the former Cafritz Estate), Case 16559

DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT
00 MAR 23 P 3:22

Dear Commissioner Reid:

I strongly support the application of the Field School to establish a private school on the former Cafritz Estate located along Foxhall Road N.W. The Field School has taken steps to prevent any objectionable impact on the surrounding community or on its immediate neighbors.

Two of my four children had the opportunity to attend the Field School at its old location, also in a residential area, where the school and students were respectful of the rights and sensibilities of its neighbors. I am familiar with the new location because ever since it opened my family has gone swimming each summer at the Mt. Vernon College pool. I am glad the Field School has made provision for students and other pedestrians to walk safely on Foxhall Road. I also believe that traffic control to slow down the speeders on Foxhall Road is in the interest of residents as well as the school.

As I am sure your board is aware, three other schools are located in the immediate neighborhood, and I believe the community as a whole benefits.

As a resident of the District of Columbia, I ask that you approve the Field School application.

Sincerely yours,

Diana Bruce Eskin
