RE: Case 16559

Ms. Sheila Cross Reid, Chair
D.C. Board of Zoning Adjustment
441 4th Street, N.W., 2nd fl.
Washington, D.C. 20001

Dear Commissioner Reid:

The Field School's proposed use of the former Cafritz Estate is sound and well thought out. This school, which has been a credit to the District of Columbia for a quarter century, can be as good a neighbor to the Foxhall community as it has been to Kalorama.

Its planners have devised sufficient parking and minimized the impact of incremental traffic.

To keep it in its cramped quarters on Wyoming Avenue or risk losing it to the suburbs would be a shame.

Please support the school's application at your hearing on March 29th.

Sincerely,

Timothy Hutchens
