RE: Board of Adjustment Application for the The Field School
Foxhall Road NW (the Former Cafritz Estate) Case 16559

Dear Chairman Reid:

As a member of the neighborhood I would like to express my support for establishment of the Field School on the former Cafritz estate on Foxhall Road NW. I think that the school will be an asset to the community.

The only significant concern raised by the community has been the issue of traffic. I believe that the school's plan to address this issue meets those concerns, and I am confident that the school will work steadfastly to address any further issues that may arise. Based on the willingness that the school has demonstrated to address neighborhood concerns, I fully support approval of their application.

As a resident, I see the Field School as an asset that the community can only capitalize upon. Do support this application.

Sincerely,

Harold Schneidman
