Dear Ms. Reid:

Referring to Case # 16559, I wish to express my STRONG SUPPORT of the proposed move of the Field School to Foxhall Road. This is a terrific school, serving a diverse population of young kids; and having had one of my children in this school, I can attest to the inspiring, calm and quiet way that the administration and teachers have of working with these well-mannered and scholastically excited kids. To serve our children, they need more space.

The level of integrity of those serving this school is so high that if they present traffic studies, you may be assured that the studies are accurate. Their case is reasonable, workable, a good use of property; the presence of this school will be an asset to the neighborhood and to the District of Columbia.

With best regards,

Sincerely yours,

Sophy Burnham
