Dear Commissioner Reid:

Re: Board of Zoning Adjustment Application for The Field School
Foxhall Road, NW (former Cafritz Estate) Case #16559

I am writing in support of the application of The Field School to establish a private school on the former Cafritz Estate on Foxhall Road. I believe it is in the best interest of the entire community to keep high caliber schools like Field in the District.

The traffic management plan the Field School has devised will serve the interests of the parents & students and the residents of the Foxhall area. The Field School will not create any negative conditions for the surrounding community and I know will do its utmost to be a good neighbor.

I urge your approval of the Field School application and thank you for reading this letter.

Sincerely,

Michelle R. Lender
