Re: Board of Zoning Adjustment Application for the Field School Foxhall Road, NW (the Former Cafritz Estate), case # 16559

Dear Commissioner Reid:

I am a neighbor of the Field School on Wyoming Avenue, NW.
Although I'll be sad to see the Field School leave my neighborhood, I wish to support its application to move to the former Cafritz Estate. I believe that the development plan proposed by the Field School will create no objectionable conditions to the surrounding community and will not create any detrimental impact on the immediate neighbors of the site. I also believe that people who are excellent neighbors in one community will be excellent neighbors in another community.

I want to attest to the fact that the students have been respectful members of our community. The Field School works actively to assure that its community practice the good citizenship that it teaches.

As a resident of the District of Columbia, I urge you to keep this extraordinary educational institution in the District.

Sincerely,

Laurent Mellier
Executive Director
