Re: Board of Zoning Adjustment Application for the Field School
Foxhall Road, NW (the former Cafritz Estate), Case # 16559

Dear Commissioner Reid:

The reason for this letter is to express our support of the Field School and their application to establish a private school on the former Cafritz Estate in NW DC.

We had two outstanding students volunteer with us for two weeks back in January, as part of their work internship requirement. They were very helpful and handled themselves with a lot of maturity. Our experience with them was incredibly positive and we hope to have another couple of students intern with us next year.

We also had the opportunity to meet with their internship coordinator, Carrie Johnson. Again, we were very impressed with her and with the overall outstanding quality of the school. We would highly recommend having the Field School relocate to this new site and hope that you will look favorably upon their request.

Sincerely,

Scott Dimock
