Re: Case # 16559

March 23, 2000

Dear Commissioner Reid:

My husband and I live at the lower end of 44th Street, N.W. Our property is bordered on two sides by the Cafritz estate. We are particularly vulnerable to any development of that site.

We feel strongly that The Field School would be the best possible neighbor. They have repeatedly shown concern and sensitivity to issues of traffic, noise, safety, and the protection of a particularly beautiful and irreplaceable area, a city oasis enjoyed by many beyond the immediate community.

Please act favorably on The Field School's application to relocate to the Cafritz estate. Their presence would preserve and enhance the Wesley Heights neighborhood, and best serve the entire city.

Sincerely,

Gloria Kreisman
