Re: Board of Zoning Adjustment Application forThe Field School
Foxhall Road, N.W. (the former Cafritz Estate)

Dear Ms. Reid:

As a community member of the Cafritz property, I write in support of the application for the relocation of The Field School to Foxhall Road. I believe that the proposed relocation will in no way create objectionable to the surrounding community.

I believe that any projected issues of concern by the community have been mitigated by the excellent community reach out during the design period. Thus, I agree with the position taken by The Field School that the issues of parking and traffic have been dealt with a design that is not only practical but also esthetic environmentally. Further, I agree that once the intersections of Whitehaven Parkway and W Street have been signalized, the traffic situation will improve and proposed entrances to the School will not cause additional traffic problems.

Thank you for consideration of my views and I ask that you support the application of The Field School to relocate to the Cafritz property.

Sincerely,

Peter C. Sonnenreich
