441 4th St., N. W. Suite 210
Washington, DC 20001

Gentlemen:

I am writing to express my concern and objection to the Field School's proposal to open their school on Foxhall Road as I believe it will create a hazardous condition on Foxhall Road which has been plagued with many accidents and a number of fatalities.

This is of great concern.

Thank you for your thoughtful consideration to this serious problem.

Sincerely,

Julia F. Saltz

BZA
