Re: The Field School
BZA Application No.16559

Dear Chairperson Reid:

On June 7, 2000, the Office of Planning filed an addendum to its May 3, 2000 report addressing the amendments that The Field School ("School") has made to its application to address the concerns of the Department of Public Works. Enclosed please find six copies of a revised circulation plan that: i) depicts the closure of the northern entrance to the School; ii) has an updated internal circulation plan for the drop-off and pick-up of students; and iii) a parking lot with a total of 110 parking spaces.

All of these revisions have been made at the request of the Department of Public Works and the Office of Planning. If you need further information, kindly feel free to contact either of the undersigned.

Sincerely,

Phil T. Feola

Paul A. Tummonds
