Re: Case Number 16559—Field School Special Exception

Dear Ms. Reid,

We write to express our deep opposition to the Field School's relocation to the former Cafritz estate property on Foxhall Road just north of W Street.

We believe this plan would have a terrible effect on our neighborhood, particularly in terms of traffic congestion. We are also concerned about the safety of drivers and pedestrians on Foxhall Road, which is already too busy.

In addition, we are concerned because the city has failed to submit the multi-school traffic study of the area that had been agreed to when the George Washington University campus at Mount Vernon was established.

Please do not permit this rezoning, it would be too detrimental to the neighborhood.

Sincerely,

Rebecca and Jeremy Wolsk
