Re: Board of Zoning Adjustment Application No. 16559, The Field School
Request for Minor Modification of Approved Plans

Dear Chairperson Reid and Members of the Board:

On behalf of NAFG, I have been authorized to state that NAFG has no objection to the proposed interim use of the property (2301 Foxhall Road, N.W.) as set forth in counsel for the Field School's letter to the Board, dated May 23, 2001.

This lack of an objection should in no way be construed as consent to the permanent placement of the school at this site, which is matter now on appeal by NAFG before the D.C. Court of Appeals.

Sincerely,

Richard L. Aguglia
