RE: The Field School – Modification of Order No. 16559
Establishment of Shuttle Bus Routes

In response to the request of the Board of Zoning Adjustment, this memo addresses the actions that The Field School has undertaken regarding the establishment of the shuttle bus routes to and from the Foxhall Road campus to the Friendship Heights, Foggy Bottom, Woodley Park and Cleveland Park Metro Stations.

The Field School is presently finalizing an agreement with a third party shuttle bus operator to provide shuttle bus operations for the School. The Field School has informed the shuttle bus operator of all the conditions of approval announced by the Board, and the shuttle bus operator is including those conditions in its planned bus routes. The shuttle bus operator is presently testing the preferred shuttle bus routes and will have those routes finalized within the next 5-7 days.
