OFFICE OF ZONING
DISTRICT OF COLUMBIA

Ms. Jerrily Kress -
Director, Office of Zoning
441 - 4th Street, NW (#210)
Washington, DC 20001.

Dear Madam -

As residents of the Foxhall Road area, we strongly object to the proposal by the Field School to build its campus on the Capitz property, on Foxhall Road.

We have our home on Dexter Street, which crosses Foxhall Road. The traffic on Foxhall Road is already gridlocked in the morning & evening rush hours. To compound these existing problems with hundreds of more cars, is just begging for an impossible situation.

We already have more than our share of schools. Our neighborhood is supposed to be residential, not academic. We urge the Zoning Board to turn down the Field School proposal. Sincerely —

Travis & Ellen Wheeler
