Re: BZA Case Number 16562, Application of Mike Malik to convert an historic carriage house into an apartment by connector.

Dear Ms. Kress:

My family, the Biglows, own and live in the adjacent property to the east of the applicant. My rear yard adjoins the subject carriage house. I hope the ANC and the neighbors can and will support this project for the following reasons:

- The carriage house is a beautiful structure that is not being fully utilized and is deteriorating with time.
- Occupancy in the carriage house will increase security to the alley and the rear yards.
- The proposed privacy wall between the two yards will increase security to my house.
- The planned renovation will enhance the neighborhood.

I welcome the renovation and fully support it. If you have any questions, I can be reached at work on (202) 401-1529.

Sincerely,

Grafton T. Biglow
