CASE NUMBER 16563

Dear Mrs. Kress:

This letter is in support of the proposed changes to the back of 2134 Leroy Place, N.W. I am a property owner within 30 ft. of this property.

In the past month, I believe the Siegal's have taken great steps to compromise with the neighbors. The new drawings solve my problems with the initial plans.

Thank you for your attention to this matter.

Sincerely,

Marie Drissel
