Financial performance

A comparison of Georgetown's financial performance in fiscal 1999 with the 15 institutions with which it shared the most applicants in 1999:

Change in net assets*

Mean of other 15 institutions	+10.1%
Georgetown U.	+0.7%

* All assets are counted, including the endowment, cash received, pledges of gifts, and value of physical plant and equipment, minus liabilities.

Change in financial resources**

Mean of other 15 institutions	+10.7%
Georgetown U.	-3.9%

** Includes all of the same factors as change in net assets, with the exception of the value of plant and equipment.

Note: Figures for some institutions include estimates made by Moody's Investors Service.
