Re: BZA Application No. 16,566 of Georgetown University, under 11 DCMR 210 and 3104, for special exception approval of a proposed ten-year campus plan for the years 2000-2010, for the University's main campus at 3700 O Street, N.W., and its Medical Center (north) campus at 3800 Reservoir Road, N.W.

Dears Ms. Kress:

Confirming my telephone discussion with Richard Nero, of April 23, 2004, please make a note of my new address and other new contact information, given above, in your file on BZA No. 16,566 (the Georgetown University campus plan case), which was recently remanded to the Board of Zoning Adjustment by the D.C. Court of Appeals (D.C. App. No. 01-AA-1182).

I represented the Hillandale Homeowners Association in the administrative processing of the case, and when it was before the Court, and expect to continue to do so for any remand proceedings that may become necessary. When my address changed while the case was pending before the Court, the administrative record was closed, and notice of the change was given only to the Court and the parties. The Board's administrative file on this case there continues to list me as Hillandale's representative at my former address. In the event that the Board should decide, as the result of the remand, to send any notices or requests to the parties or their representatives, any notice to which Hillandale may be entitled should be sent to me at my new address, given above.

Thank you.

Sincerely,

Charles R. Braun
