Re: Georgetown University Campus Plan 2000
BZA #16566

Dear Ms. Reid:

The Citizens Association of Georgetown respectfully requests a postponement of the BZA hearing scheduled for June 13, 2000 on the Georgetown University Campus Plan.

As you may be aware, a mediation process began recently under the auspices of the D.C. Office of Planning. The mediation involves representatives from the neighborhoods that abut the Georgetown University campus as well as representatives from the university, and is being guided by a professional mediator/facilitator.

More time is needed for the mediation process to be successful. While the mediation is making progress, there are many issues still on the table to be discussed. If the hearing date is not postponed, the mediation will be terminated before the hoped for consensus and agreement can be reached on all or most of the remaining issues.

Postponement of the BZA hearing by a month or two seems prudent and in the best interests of the community and all involved in the Georgetown University Campus Plan review process. The mediation holds promise for resolving many issues and the BZA should permit time enough for the process to achieve positive results. This plan will be in place for ten years. Surely delaying the hearing for a month or two is not too much to ask.

Please feel free to contact our office at 337-7313, or Mr. Douglas Rixey, at 333-2626, if there is any other information you require.

Sincerely,

Barbara B. Downs
