Re: Application to testify at the hearing for BZA Application 16566, by Georgetown University, under Section 210 of the Zoning Regulations, for Special Exception approval of the University's Master Plan for the year 2000.

Madam Chair,

I would like to request that Douglas Rixey be granted the opportunity to testify on behalf of the Citizens Association of Georgetown at the July 18, 2000 hearing of the BZA on the Georgetown University Master Plan. Mr. Rixey is a CAG member and a member of our Zoning Committee. He has participated in the meetings held by the University with a working group of representatives from neighborhood civic associations. In addition, he attended the mediation sessions held by the Office of Planning with the University. His familiarity with the plan and his understanding of the special problems of the surrounding community have been invaluable to our organization and to the residents we represent.

Sincerely,

Barbara B Downs
