To Whom It May Concern:

It is my pleasure to write this letter of support for Demeter Northwest, a program of Vanguard Services Unlimited.

I have been associated with Demeter Northwest for 5 years in my position of ANC Commissioner. I have always been impressed with the high quality service provided for the clients, and I can attest that the staff consists of a devoted, committed group of professionals.

I support Demeter Northwest's efforts to improve and enhance its services by obtaining grant funding. Ultimately , the clients will benefit as Demeter Northwest continues to grow in the services it offers, and in producing self-sufficient citizens free from the ravages of substance abuse. I can think of no more deserving agency to give support.

Thank you for your consideration. I hope that Demeter Northwest will receive support through grant funding from your foundation.

Sincerely,

Lawrence L Thomas
